ACTIVE CASE Day 99 of proceedings Evidence

7 SEPTEMBER 2026

Any single professional in Australia — doctor, lawyer, journalist, academic, regulator, politician, or public official — is invited to do one of the following before 7 September 2026:

✓ OPTION 1 — ACKNOWLEDGE

Formally acknowledge, on the record, that the fact-checked, primary-sourced, blockchain-sealed evidence statements in this archive are accurate and constitute a legitimate whistleblower case requiring independent investigation.

✗ OPTION 2 — DISPROVE

Publish a factual rebuttal — citing specific primary sources — that disproves, rebuts, or demonstrates that any documented claim is a symptom of mental illness, "delusion," or fabrication. Name yourself. Put it on the record.

Jones v Dunkel (1959) 101 CLR 298 applies: the failure of any named professional, institution, or agency to respond by the deadline date is legally significant. The silence of every person with the standing, access, and obligation to act — and who has chosen not to — is itself part of the evidentiary record.

Australian Government Spent 35

Years Destroying a Whistleblower. He Documented All of It.

Everything a journalist, researcher, or human rights monitor needs to cover this story.

THE STORY IN BRIEF

Dr. Richard William McLean — operating as Barran Dodger — is an Australian whistleblower who has assembled what independent forensic analysis describes as the most extensively documented case of institutional persecution against a single individual in Australian legal history.

Over 35 years, 13 federal and state agencies — including NDIS, ASIO, AFP, Centrelink, and the Commonwealth Ombudsman — coordinated to suppress $32.9M–$58.6M in documented entitlements, facilitate 14 involuntary psychiatric hospitalisations, and systematically erase his complaints without investigation.

He documented everything. 2,304 primary source government documents. Four Federal Court proceedings. Active ICC Article 7 referrals. UNHCR asylum proceedings (Ref: UR/UST/23/AUS/17). A Bitcoin blockchain-sealed evidentiary record.

The archive is live at barrandodger.com. Every document is authentic. None have been contested by any named agency or individual in any defamation action.

⚠ Ready-to-Run Story Angles

The NDIS Fraud Nobody Investigated

Government records confirm $32.9M in suppressed disability entitlements. NDIS providers — appointed by the government — extracted $50,000 while the agency closed complaints without reading the evidence. The paper trail is complete.

Source Document Source Document

14 Involuntary Psychiatric Hospitalisations — None Based on Clinical Evidence

Hospital records confirm Dr. McLean was 'neither psychotic nor delusional' — yet was forcibly injected and detained 14 times across two decades. The hospitalisations correlate precisely with moments he filed formal complaints.

Source Document Source Document

Identical Template Language Across 8+ Agencies

When complaint letters from the Ombudsman, AHPRA, IBAC, Victoria Police, and the Health Complaints Commissioner are placed side by side, they share identical phrases — across agencies that are supposed to operate independently.

Source Document

An ASIO Operative, $30,000/Month Offshore, and a Suppressed Report

Government correspondence names an ASIO supervisor by name and documents $30,000 per month in hidden offshore income from a former intimate partner. The report was received and used to label McLean paranoid. Not investigated.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
